REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

REGULATIONS RESPECTING FOREIGN MEDALS.

148

523

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CL. 115.—Royal Warrant to cancel the Regulations authorizing the Purchase or Sale of Commissions.

VICTORIA R.

Whereas by the Act passed in the session holden in the 5th and 6th years of the reign of king Edward VI., chapter 16, intituled "Against buying and selling of Offices," and the Act passed in the 49th year of the reign of king George III., chapter 126, intituled "An Act for the prevention of the sale and brokerage of Offices," all officers in our forces are prohibited from selling or bargaining for the sale of any commission in our forces, and from taking or receiving any money for the exchange of any such commission, under the penalty of forfeiture of their commissions and of being cashiered, and of divers other penalties, but the last-mentioned Act exempts from the penalties of the said Acts purchases or sales or exchanges of any commissions in our forces for such prices as may be regulated and fixed by any regulation made or to be made by us in that behalf:

And whereas we think it expedient to put an end to all such regulations, and to all sales and purchases and all exchanges for money of commissions in our forces, and all dealings relating to such sales, purchases or exchanges:

Now our will and pleasure is that on and after the 1st day of November in this present year, all regulations made by us or any of our royal predecessors, or any officers acting under our authority, regulating or fixing the prices at which any commissions in

ARMY CIRCULARS—continued.

our forces may be purchased, sold or exchanged, or in any way authorizing the purchase or sale or exchange for money of any such commissions, shall be cancelled and determined.

Given at our court at Osborne, this 20th day of July, in the 35th year of our reign.

By Her Majesty's command,
EDWARD CARDWELL.

CL. 116.—Royal Warrant revising the Allowances to Regimental Agents.

VICTORIA R.

Whereas we deem it expedient to revise the scale of allowances at present granted to regimental agents:

Our will and pleasure is that the regulations on this subject contained in Article 30, page 19, and Articles 63, 64 and 65, page 30, of our Royal Warrant of 1st July, 1848, and in our Royal Warrant of 27th September, 1868, be cancelled from the 1st October, 1871.

2. On and after the said 1st October, there shall be paid to such of the agents of regiments as shall then and thereafter continue to hold their present appointments as such upon the nomination of the present colonels of the respective regiments a daily allowance of 8d. per troop or company for each regiment of Cavalry or Infantry of the Line, or West India Regiment for which they act as agents. When, however, a vacancy shall occur, subsequently to the date of this Warrant, in the colonelcy or the agency of a regiment, the said daily allowance on account of such regiment shall be reduced to 6d. per troop or company from the said 1st October, if the vacancy occurs prior to that date, and otherwise from the date of the new appointment of an agent.

3. The agents of our Royal Artillery and Royal Engineers shall from the said 1st of October receive as agency allowance a remuneration of 11. per centum on the pay and extra pay actually issued by them to officers of those corps.

4. The agent of the Ceylon Rifle Regiment shall from the said 1st October receive the sum of 50l. annually for the duties performed by him.

5. The foregoing allowances shall be in lieu of all other allowances or emoluments whatsoever heretofore granted to army agents for the duties performed by them.

Given at our court at Windsor, this 6th day of July, 1871, in the 35th year of our reign.

By Her Majesty's command,
EDWARD CARDWELL.

CL. 117.—Mode of Computing Salaries, Pensions, &c., for Broken Periods.

The Secretary of State has decided, with the concurrence of the Lords Commissioners of her Majesty's Treasury, that in all cases where payments on account of salaries, pensions or allowances are made for broken periods, the payments shall be computed as follows:—

1. When the salary, pension or allowance is at an annual rate, the amount due for a broken period of any division of the year (whether a quarter or a month) for which it is customary to make the payment, will be computed with reference to the number of days in the division during which the broken period occurs.

2. In cases where intermediate issues are made on account of quarterly payments, the broken period will be calculated with reference to the number of days in the quarter.

3. When the salary, pension or allowance is at a weekly or monthly rate, the broken period will be computed on the basis of the number of days in the week or in the month in which such broken period occurs.

4. Clause 6, Army Circulars, 1871, is hereby cancelled.

CL. 118.—Marching Allowance.—Troops rationed by Control Department.

With reference to Royal Warrant of 1st July, 1848, paragraph 28, pages 18 and 19, and to Explanatory Directions, paragraph 346, page 99, daily marching allowances will not be issuable to troops on the march, or employed in flying columns or manoeuvres of exercise, when rationed by the Control Department.

ARMY CIRCULARS—continued.

Cl. 119.—Conveyance of Men purchasing their Discharge.

The Secretary of State has decided that Article 570 of the Royal Warrant of the 27th December, 1870, does not apply to men allowed to purchase their discharge as an indulgence; and that such men have no claim to free conveyance to their home or place of enlistment.

CONTROL SERVICES.**Cl. 120.—Use of L. G. Powder with Rifled Guns.***Marking Cartridges.*

1. With reference to paragraph 1998, List of Changes, 1871, it has been decided that printer's ink, *not paint*, is to be used for marking cartridges. The ink will be applied with a stencil plate and brush, and the letters placed immediately after the charge of powder.

2. Officers commanding Royal Artillery will demand marked empty cartridges for the purpose of making up cartridges with L. G. powder.

3. All cartridges for field service will be marked in store when empty.

4. In the event of the cartridges being filled afterwards, with R. L. G. powder, the letters L. G. will be obliterated as directed in paragraph 2081, List of Changes, 1871.

Cl. 121.—Proportion of Ammunition for 64-pr. M. L. R. Guns.

It is hereby notified with reference to Clause 55, Army Circulars, 1871, that the proportion of ammunition to be maintained for 64-pr. Rifled Muzzle-loading converted guns of 71 or 58 cwts., calibre 6.3, mounted in fortresses, will be—

At home ...	...	...	...	...	100 rounds.
Abroad ...	...	...	...	...	200 rounds.

Cl. 122.—Powder from B. L. Small-Arm Ammunition.

Attention is called to the fact that the foot-note to paragraph 13, of Clause 104, Army Circulars, 1870, still remains in force; the same not having been cancelled by Clause 91, Army Circulars, 1871, revising a portion of the paragraph in question.

Cl. 123.—Tents for Exercise in Pitching and Striking.

1. The proportion of used circular tents to be supplied for purposes of instruction to regiments is increased from one to four. The tents so issued will be held in barrack inventory.

2. New tents are not to be issued for this purpose.

3. Clause 100, Army Circulars, 1868, is hereby cancelled.

Cl. 124.—Camp Equipage.

1. An addition of one tent, for the use of the major of each cavalry regiment, will be made to the details of camp equipage for flying columns and field service, printed as an Appendix to Clause 103, Army Circulars, 1871. The tent assigned to the major and adjutant by the details referred to will be appropriated to the adjutant and veterinary surgeon.

2. Twelve tents for non-commissioned officers and men of Horse Artillery Batteries will be allowed instead of ten as detailed in the clause quoted.

Cl. 125.—Saddlery.—Engineer Officers attached to Royal Engineer Train.

Officers of the Royal Engineers, when attached to troops of the Royal Engineer Train, will be entitled to a supply of saddlery from the public stores. Paragraph 86, page 151, of the Regulations for the Equipment of the Army, will be revised accordingly.

Cl. 126.—Regulations for Supply of Valises.

(Issued as a Special Army Circular, on 13th July, 1871.)

1. The infantry valise, at present supplied as an article of necessities, will be transferred to equipment, and will in future be supplied as accoutrements, under the following regulations.

2. Every recruit or transfer joining a regiment or corps having the valise equipment will receive a valise as a portion of his accoutrements; and such valise, in the case of the man being discharged or becoming non-effective, will be dealt with as accoutrements.

ARMY CIRCULARS—continued.

3. Men transferred from regiments and corps which have not yet been supplied with valises will have the option of disposing of the knapsacks belonging to them in any manner they think most advantageous, or of handing them over, if in a serviceable condition, to the regiment they are leaving. In the latter case the value thereof, which is to be ascertained by a board of survey, as directed by Article 120, "Revised Royal Clothing Warrant, 1865," will be paid to the man, and the knapsack will be taken on charge and disposed of as pointed out in the regulations above quoted.

4. On a regiment or corps being completed with Infantry valises, a board of survey will be held on the knapsacks in the men's possession; those pronounced to be serviceable will be sent to the Royal Army Clothing Depot, where they will be valued, and the result of the valuation communicated to the regiment by the director of clothing, who will authorize payment of the amount to the men. The unserviceable knapsacks (*i.e.*, those unfit for re-issue to recruits) will not be taken over under any circumstances: they will be disposed of for the benefit of the men in any manner which the commanding officer may direct. Should a man elect to dispose of his own knapsack, he will be permitted to do so.

5. Infantry valises paid for by the men, or issued free to recruits as a portion of their kit, will continue the property of the soldier. When the valises are worn out they will be replaced at the public expense, the unserviceable valises being disposed of by the men in any manner they may think fit.

6. On discharge, or otherwise becoming non-effective, men who have paid for their valises will have the option of taking them away, or, if serviceable, of leaving them with the corps. In the latter case the value will be paid to them according to the time they would last when re-issued as accoutrements.

7. All valises so paid for will be brought on charge in the regimental ledger, and a certificate furnished to the paymaster to this effect before payment to the soldier is allowed.

8. All future demands for the supply or exchange of Infantry valises will be made in the same way as those for accoutrements.

9. The period of duration of the valise is fixed at ten years, and any valises supplied free of charge that have been that time in wear will be exchanged, if unserviceable.

10. Valises will be marked, on the outer surface of that side of the valise which is worn next the back, with the number of the regiment, in white paint; for which purpose, stencil plates will be supplied so as to secure uniformity. Stencil brushes will also be provided, and an allowance of 1d. per valise allowed for marking the first issue; the paint being found by the corps.

11. The canvas inside the outer flap of the valise will be also marked with the same marks as the accoutrements, in marking ink, by means of the types supplied. For this no allowance will be made, except in the case of the first issue of new equipments, when the allowance will be regulated as laid down in Clause 93, Army Circulars, 1871; valises being reckoned as part of the 300 articles in the same way as other accoutrements.

12. Mess tins will continue to be dealt with as articles of necessaries, under the clothing regulations; the use of mess tin covers with the valise equipment has been discontinued.

Cl. 127.—Schoolmasters' Accoutrements.

1. The use of swords by Army schoolmasters having been discontinued, commanding officers and others concerned will see that the swords, scabbards, waist belts, and sword knots in the possession of these non-commissioned officers are delivered into store at the nearest control store station without delay. The articles referred to will be removed from the details of equipment in the Revised Army Regulations, vol. 3, page 129, and from those published with Clause 81, Army Circulars, 1871.

2. If not required at the station, the belts, knots, swords and scabbards will be forwarded to the Tower as opportunities occur.

Cl. 128.—Stores issued to the Admiralty.

All supplies of stores made to the Admiralty, for which repayment will have to be claimed, will be reported to the Surveyor General of the Ordnance on W. O. Form 1242. The claim will be supported by a receipt voucher, made out on W. O. Form 1216, care being taken that the form is completed in every particular.

Cl. 129.—Instructions for Packing Armourers' Tools, &c.

1. The following instructions for packing armourers' tools and spare parts of small-arms will be carried out by regiments on embarkation for distant foreign stations.

ARMY CIRCULARS—continued.

These directions do not apply to troops proceeding to the Mediterranean, West Indies, British North America or Bermuda.

2. One water-tight case for the purpose of packing all the armourer serjeants' tools, and spare parts of arms, included in the lists printed in the Appendix, will be supplied to each regiment ordered abroad.

3. Two pounds of the following composition for coating the metal work—

will be supplied to every regiment; likewise 4 lbs. of soft paraffin for dipping the calico in.

4. Twelve yards of unbleached calico, and thirty yards of twine, called "thread sealing," will also be issued to every regiment.

5. The articles above detailed will be demanded on W. O. Form 1457, from the local control officer, and will be brought on charge in the regimental ledger.

6. The armourer serjeant will cut the calico into sizes to correspond with the dimensions and number of articles to be packed.

7. Previous to being packed, the articles must be coated with the composition, and the calico dipped in the paraffin.

8. The local control officer will supply on loan to each regiment, the means for heating the paraffin, by hot water or steam. Under no circumstances will it be melted directly over a fire.

9. The local control officer will also issue solder if requested, and will lend soldering irons.

10. After completing the packing, the armourer serjeant will carefully solder down the tinned iron flap to the inner case, taking every precaution to ensure that no part remains unsoldered.

11. On the arrival of the regiment at its destination the case will be returned to the nearest control station, where it will be repaired and kept for future and similar employment.

Cl. 130.—Recreation Rooms.

Adverting to War Office Circular 846, of the 9th December, 1863, it is notified that the supply of the following articles has been discontinued, viz.:—

Mattings, cocoa-nut.	Bowls, wooden.
Plans.	Settees, dark wooden.

Cl. 131.—Form of Ration Certificate.

A revised form of monthly certificate of rations issued to regiments or detachments (W. O. Form 909) has been approved, and will in future be used both at home and abroad.

G.O. 58.—Employment of Discharged Soldiers as Writers.

His Royal Highness the Field Marshal Commanding in Chief has the satisfaction to make known to the Army the following arrangements for the employment of discharged non-commissioned officers and men as writers in the public service.

I. Non-commissioned officers and men of good health and character, who are either,
1st. Pensioners, or,
2nd. In the Army Reserve,
will, on application to the Civil Service Commissioners, Cannon Row, Westminster, be admitted (subject to the payment of the prescribed fee of 5s.) to a test examination in the following subjects:
Handwriting,
Orthography,
Arithmetic (Elementary),
Copying manuscript.

II. Those who pass the examination will be put upon the register of the Civil Service Commissioners. They will then be supplied to the several offices as opportunities offer.

III. In addition to the opportunity thus afforded to pensioners and Army Reserve men of obtaining employment in the various public offices, the Secretary of State for War will select, in preference to other registered writers, pensioners and men of the Army Reserve, if under the age of forty-five years, for the appointment of military clerks in the War Office; but for this particular service they must fulfil, not only the conditions common to all writers, but must also be enabled to pass a satisfactory examination in vulgar and decimal fractions.

IV. The Field Marshal Commanding in Chief is anxious to point out and to impress upon soldiers the advantages which they may secure by qualifying themselves, during active service for being placed, when they leave it, on the register of the Civil Service Commissioners as writers.

GEN. ORDERS—continued.

G.O. 59.—Books, &c.

I. Revised "Instructions for the Sword, Carbine, Pistol, and Lance Exercise" have been approved, and are to be strictly adhered to throughout the service.

II. The following number of copies will be sent to each regiment of cavalry, viz.:—

- 1 copy for the commanding officer.
- 1 copy for the adjutant.
- 1 copy for the orderly room.
- 1 copy for the serjeant major.
- 1 copy for the serjeant instructor in fencing.
- 1 copy for each troop serjeant major or serjeant.

G.O. 60.—H. M. Troop Ships.

It is to be distinctly understood that the "Regulations for H. M. Transport Service" are only applicable to hired transports, and not to H. M. troop ships, for which special regulations, entitled "Regulations for H. M. Troop Ships," are issued.

G.O. 61.—Garrison Instructors.

The course of instruction which is being pursued, and the dates when classes are to be formed for the various subjects, will in future be published in garrison orders at stations where there is a garrison instructor, so that officers, other than those on whom the special examination is obligatory, may be able to attend such classes if they wish.

By command,

RICHARD AIREY,

Adj. Gen.

CL. 136.—Royal Warrant to provide for the Retirement of certain Officers of Royal Artillery.

VICTORIA R.

Whereas we deem it expedient, with a view of facilitating promotion in our Royal Artillery and our Royal Engineers, to remove the existing restriction as to the number of officers of these corps permitted annually to retire upon half-pay, and further, as a temporary measure, to provide for the retirement upon annuities of a limited number of officers of the rank of Captain, 2nd Captain or Lieutenant in the Royal Artillery;

Our will and pleasure is, that Articles 96 and 97 of our Royal Warrant of 27th December, 1870, stand revised as follows:—

- 96. After 25 years' service, all combatant officers shall have an unqualified right to retire on half-pay. Officers of the Cavalry or Infantry of the Line who have completed such service may receive the difference in value between full pay and half-pay commissions of their rank, provided other officers shall be willing to pay it. Officers of our West India regiments, after 21 years' service, of which 12 have been rendered in a West India regiment, or after 16 years' continuous service in the West Indies or on the West Coast of Africa, including leave of absence, shall also have an unqualified right so to retire, provided they shall be serving in a West India regiment at the time of such retirement.

ARMY CIRCULARS—continued.

97. The following numbers of officers of Royal Artillery and Royal Engineers, with less than 25 years' full-pay service, shall be permitted annually to retire on half-pay, any period on half-pay in consequence of reduction, being allowed to reckon in making up the requisite number of years of service:—

	Royal Artillery.	Royal Engineers.
Lieutenant Colonels	... 2	... 1 annually.
Captains of not less than 24 years' service ... 3	... 3	... 3 every two
Lieutenants of not less than 20 years' service ... 1	... 1	... 1 years.

It is also our will and pleasure that a limited number of officers of the rank of captain, 2nd captain or lieutenant in our Royal Artillery shall be permitted, until our further pleasure in this matter shall be made known, to retire permanently upon annuities in accordance with the following scale:—

Scale of Annuities.

After serving on Full pay for	—	After serving on Full Pay for	—	After serving on Full Pay for	—
	£		£		£
22 years	225	17 years	148	12 years	89

19 "	176	14 "	110	9 "	60
18 "	161	13 "	99	8 "	51

Given at our court at Balmoral, this 31st day of May, 1871, in the 34th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Cl. 137.—Refund of Rewards paid for Fraudulently Enlisted Men.

1. The Secretary of State has decided with reference to Article 517 of the Royal Warrant of 27th December, 1870, that in the case of soldiers enlisted by a recruiting party, no refund of rewards paid on account of men who fraudulently enlist shall be required if the fraud be not detected within three months after the enlistment. In the case of men enlisted by a paid pensioner recruiter, the refund will not be enforced if the fraud be not discovered until more than six months shall have elapsed.

2. The memorandum issued by the Inspector General of Recruiting on the 13th August, 1869, is cancelled.

Cl. 138.—Departmental Pay, Army Service Corps.

(Issued as a Special Army Circular, on 3rd August, 1871.)

The following will be substituted for paragraph 5 of the Secretary of State's Instructions on the Royal Warrant of the 11th April, 1870 (Clause 49, Army Circulars, 1870):—

5. Departmental pay will not be issued to men (1) absent either with or without leave, (2) on the sick list, (3) undergoing imprisonment, (4) confined to barracks (even though employed in departmental work while so confined), or (5) on board ship, unless in the last case they be actually employed in the performance of necessary duties.

Cl. 139.—Pay of Provost Serjeants.

1. The pay of *garrison* provost serjeants, acting or assistant provost serjeants and provost cooks, provided by Article 605 of the Royal Warrant of the 27th December, 1870, will, from the 1st October next, be invariably charged in the accounts of control paymasters.

2. The extra duty pay, provided by Article 647 of the same Warrant, for *regimental* provost serjeants in charge of prisoners in barrack cells, or where an exclusively regimental system of imprisonment is in force, will continue to be charged in the accounts of regimental paymasters.

3. No. 1 Reports will accordingly be furnished by the several paymasters concerned.

ARMY CIRCULARS—continued.

Cl. 140.—Allowance for Cleaning Offices.

(Issued as a Special Army Circular, on 2nd August, 1871.)

The directions given in Clause 101, Army Circulars, 1871, with reference to the classification of charges on account of allowances for cleaning staff and departmental offices, under Clause 1, Army Circulars, 1867, will take effect from 1st April, 1872, and the service in question will be estimated for the year 1872-3, under vote 10. For the year 1871-2 the above allowance will be, as heretofore, charged against the votes providing for the establishments concerned.

Cl. 141.—Remission of Income Tax on Regimental Canteens.

The Secretary of State for War having been in communication with the Lords Commissioners of the Treasury, with a view to relieving the funds of regimental canteens from payment of income tax, it has been decided that returns of profits shall not be required by the inland revenue officers, and that if an assessment should nevertheless in any case be made, the duty thereby charged will not be collected.

Cl. 142.—Issue of Funds to Regimental Paymasters at Home Stations.

1. From 1st October next, regimental paymasters at home stations will be supplied with funds by Her Majesty's Paymaster General, for which purpose they will be furnished from the War Office with bills negotiable through bankers, or others, payable at the Paymaster General's office.

2. Paymasters will account for all such bills drawn by them, by debiting themselves with the amounts thereof in the general states of their pay lists.

3. When from any cause paymasters find themselves in possession of surplus funds, they will at once apply to the War Office for an order to enable them to pay the amount into the Bank of England.

4. The monthly estimates for regimental services will be rendered as heretofore, the latest dates on which cash will be required being inserted in the form provided for the purpose.

5. Care should be taken to forward supplementary estimates, when necessary, in sufficient time to prevent any delay in obtaining funds.

6. A specimen form of bill attached to the letter of advice is annexed (*see Appendix*).

Cl. 143.—Control Cash Accounts at Home Stations.

1. The *old* Form of control cash account (W. O. Form 1397) will not be used in future, but the *new* Form bearing the same number forwarded to each control paymaster at home stations on the 29th April last.

2. Care will be taken to use W. O. Form 1381 for schedules of expenditure, and W. O. Form 1382 for receipts.

3. Vouchers will not be re-numbered for expenditure, but should be numbered consecutively throughout the account.

4. Vouchers will not be folded up, nor be pinned nor strung to the schedules, but the vouchers relating to each schedule will be tied up therewith, and the schedules relating to each appendix in like manner tied up therewith, so as to keep the three parts of the account distinct from each other.

5. Each voucher and schedule will be stamped or headed distinctly with the station and period of the account to which it relates.

6. The heading of each schedule will correspond precisely with the item to which its total is carried in the general state or appendices; special care being taken not to omit the words "Exchequer Extra Receipts" from such schedules as may require them. The schedules will not be lettered, but headed in words.

7. Care will be taken not to include on the same voucher debits or credits partly applicable to services included in the general state, and partly to those included in the appendices to the new form of control cash account.

8. The control paymaster's cash account must reach the War Office by, at latest, the 15th of the month succeeding that to which the account relates.

CONTROL SERVICES.**Cl. 144.—Annual Returns of Stores.**

1. Controllers will cause annual returns of all stores (except gunpowder) in charge of commissaries of reserve depôts on 30th September in each year, to be prepared and forwarded immediately after that date to the controller, Royal Arsenal, Woolwich.

ARMY CIRCULARS—continued.

2. The returns will be made out on the following forms, copies of which have been forwarded to each station:—

Any articles in sections IV. and V. of the Woolwich Vocabulary that are not included in the foregoing returns will be prepared on similar forms in manuscript.

3. An accurate account of all obsolete and surplus stores will be given, and recommendations for their disposal will be made in the column of remarks.

4. The returns will, as far as possible, be made out in strict accordance with the published nomenclature.

5. Clause 28, Army Circulars, 1870, is hereby cancelled.

Cl. 145.—Supply of Targets for Artillery Practice.

1. As a general rule, all practice will be carried on, where the locality permits, at common board targets (6 ft. x 6 ft. x 2 in.), placed on the land; advantage being taken, on the sea coast, when the tide is out, to place the target on the sand or beach. In cases where the practice has to be carried on seawards, or over water, targets of Shuttleworth's pattern are to be used.

2. The proportion of targets allowed will not exceed four common or two Shuttleworth's targets for each battery.

3. At localities where practice is carried on by more than one battery, it is expected that, with common precautions, the proportions laid down will be considerably reduced, provided that due attention is paid to repairs.

4. The numbers and descriptions of targets required for annual practice will be shown in the annual estimate of the officer commanding the Royal Artillery, and will be included in the annual demand of the controller.

5. The officer commanding the Royal Artillery will state in the estimate at what cost the targets, or the materials for their manufacture, can be locally obtained.

6. He will also give the local controller an approximate estimate of the amount that will be required for the hire of boats for laying, and for bringing back the targets; and the controller will include the amounts in his estimates for boats, forwarded to the controller, Royal Arsenal.

7. Controllers, at home stations, will in their demands suggest whether the targets required shall be sent from Woolwich, or locally provided.

8. At foreign stations, the targets will be made locally, except under very special circumstances.

9. If targets have to be supplied from Woolwich, care must be taken that they are in local store, ready for issue, on the 1st January in each year.

10. When the time has arrived for the supply being made, the officer commanding Royal Artillery will forward his requisitions for each station to the controller, who will direct the issue of the targets, or the local manufacture of the same, as may be most beneficial to the public service; the targets and materials for their manufacture or repair being brought on charge in the district ledger.

11. In the Field Artillery, the manufacture and repair of targets will be carried out by the battery artificers, under the orders of the officer commanding Royal Artillery, without any working pay; any materials required being supplied by the Control Department.

12. In garrison artillery, working pay will be allowed both for the manufacture of and current repairs to targets. The instructions contained in Clause 180, Army Circulars, 1870, will be carefully followed, and the local controller will sanction such amount of working pay as he may be satisfied is reasonable and proper.

13. At the close of the practice of each battery, the targets used will be put in a state of thorough repair, and handed over to the succeeding battery in a serviceable state.

14. When the annual practice at any station is completed, the officer commanding the Royal Artillery will transfer the targets in his possession to control charge in a serviceable state, and the Control Department will arrange for their careful custody until again

required. All targets condemned as unserviceable and beyond repair will also be delivered over to the Control Department.

15. All boats required under paragraph 6, will be hired by the Control Department.

Cl. 146.—Stores Sold to be marked with reversed Broad Arrow.

1. When any article of store is sold, it will be marked with a reversed Broad Arrow, placed, if possible, thus, , above the arrow already on the article.
2. The above does not refer to small articles such as tubes, fuzes, &c.; in these cases it will be sufficient to mark the packages in which the articles are placed.

Cl. 147.—Regimental Equipment Ledgers.

1. When stores are received or returned by regiments or corps, commanding officers will take care that there is no delay in entering the details of the same in their equipment ledgers in the manner prescribed in Clause 181, Army Circulars, 1870.
2. They will also see that the expense vouchers are made out immediately the quarter is closed, as enjoined in paragraph 7 of the Clause quoted.
3. On application, commanding officers will forward their equipment ledgers to the controller at the station for reference. The books will not be detained, but will be returned with all due dispatch.
4. On a regiment or corps being reduced, or on embarkation for India, the ledgers will be balanced and surrendered in the mode described in Clause 111, Army Circulars, 1871.

Cl. 148.—Personal Equipment—Royal Engineers.

A detail of the personal equipment (peace establishment) of a company of Royal Engineers is issued herewith to officers immediately concerned.

Cl. 149.—Personal Equipment—Field Brigades, R.A.

1. In order to insure uniformity, the orderly room serjeant, paymaster serjeant, hospital serjeant, and serjeant cook of field brigades of the Royal Artillery will wear the Royal Horse Artillery belt, and be armed with the Cavalry sword.
2. The Equipment Regulations, 1870, will be revised as follows:—
Page 117.—Remove the words "mounted men" from top of section, and insert after battery non-commissioned officers, the word "mounted" before artificers. The paragraph will then run as follows:—"Brigade staff serjeants, battery non-commissioned officers, mounted artificers, and trumpeters."
Page 118.—Remove the words "non-commissioned officers" from first and second paragraphs.
3. The details of personal equipment of staff of field brigades (attached to Clause 81, Army Circulars, 1871) will be also amended at page 2. The swords and scabbards will be increased from 3 to 7, and the sword bayonets removed. The waist belts and billets for swords, the sword knots and hoof pickers will be increased from 3 to 7, and the sword bayonet belts, the frogs and plates will be removed.

Cl. 150.—Picketing Articles.

1. Referring to General Order 53, of 1st July, 1871, which directs that the arrangements for picketing horses of batteries, horse and field artillery, shall remain as at present, namely, by means of the picket rope, picket posts and collar chains, officers commanding are requested to return into store any fetlock chains and straps they may have in possession.
2. As some of the collar chains now with the batteries may be too short for use with the short picket post with the rope on the ground (having been provided for tying to the picket rope when breast high with long posts), it becomes necessary to bring all chains up to one uniform length, that is, 5 feet 7 inches. A short piece of chain with a T at one end, and a cross aperture at the other will be necessary to carry this out, and officers commanding batteries of Royal Horse and Field Artillery will make a demand on the Control Department for the number of pieces they require. The additional pieces will be added by the battery artificers, free of charge.

Cl. 151.—Barrack Inspection Reports.

With reference to paragraph 11 of Clause 74, Army Circulars, 1870, the issue of triplicate copies of Barrack Inspection Reports to control paymasters will in future be discontinued. The Commanding Royal Engineer will notify to the control paymaster the gross total only (as shown by each Inspection Report) of the amounts due for repairs to buildings damaged by each corps, regiment, or brigade.

ARMY CIRCULARS—continued.

Cl. 152.—Damages, Military Prisons.

1. Damages in military prisons will be assessed by, and their repair executed under the supervision of, the Royal Engineer Department.
2. Damages requiring immediate attention will be brought to the notice of the Commanding Royal Engineer by the governor on special requisition.
3. Damages admitting of postponement will be brought to the notice of the member of the Royal Engineer Department making the quarterly inspection.
4. The necessary tools and materials for the repair of the damages will, in all cases, be supplied by the Royal Engineer Department, but such skilled labour as can be provided by the prisoners without interfering with the prison discipline, will be supplied by the governor on requisition from the Commanding Royal Engineer.
5. On the damage being assessed, the Commanding Royal Engineer will forward the requisition or report to the governor of the prison.
6. The amounts to be recovered will be included by the Commanding Royal Engineer in his monthly return on W. O. Form 679.
7. The return of damages by prisoners (W. O. Form 241) hitherto rendered to the War Office (under Article 179, Military Prison Regulations) by the governor or chief warden in charge, will in future be sent to the control paymaster of the district, who will then take steps (as in the case of barrack damages) to recover the amount from the several corps concerned.

Cl. 153.—Lactometers.

1. The supply of lactometers to each regiment will be discontinued.
2. A set of instruments for testing milk—consisting of lactometer, thermometer, and cream test, in case—with the necessary instructions for their use, will, in future be supplied for service in those barracks and hospitals where the use of such instruments is considered necessary.
3. Demands for testing instruments will be made on the Controller, Royal Arsenal, in the manner directed for barrack stores.

Cl. 154.—Clothing—Recruits, Royal Artillery.

In future, recruits enlisted and finally approved for the Royal Artillery between 1st January and 31st March, will receive a new tunic or dress jacket—to last to the commencement of the second military year after final approval—should there be no part-worn tunics or dress jackets in store available for issue at the time. Such recruits will receive in addition a part-worn tunic or dress jacket, should such articles become available during the above period, viz., between date of final approval and the commencement of the second military year after enlistment.

Cl. 155.—Sea Passages—Officers of Colonial Corps.

It is hereby notified with reference to Article 241 I (d) and II (b) of the Pay and Promotion Warrant of 27th December, 1870, that the period of seven years, fixed by paragraph 11 of the Passage Regulations of 1865 (W. O. Circular 888) as that entitling officers of colonial corps to a passage home at the public expense, has been reduced to five years in the case of officers of West India regiments serving in the West India command.

Cl. 156.—Issue of Railway and Passage Warrants.

1. With reference to clause 28, Army Circulars, 1867, paymasters, adjutants, and others before issuing railway or passage warrants on behalf of the paymaster or adjutant of another corps, will apply to the officer commanding the corps concerned, for authority to do so, when the service will admit of the necessary delay.
2. When the service is urgent, and will not admit of a reference being made, the issue of the Warrant will be noted on the route, furlough certificate, training notice, or other document of identity produced by the applicant, and will also be immediately reported by post to the paymaster or adjutant of the corps concerned.
3. Should these precautions be neglected, the issuer of the Warrant will be responsible for any loss which may be incurred.

ARMY CIRCULARS—continued.

CORRESPONDENCE ON ENGINEER SERVICES.**CL. 157.**

1. Subjects relating to Royal Engineer services, requiring the approval of the general officer commanding or the sanction of the Secretary of State for War, (except in the case of matters of a strictly technical and detailed character), will be submitted personally by the Commanding Royal Engineer to the general officer commanding.

2. A summary of the subjects submitted will be made on W. O. Form 119, and the general officer commanding will record his instructions thereon.

3. If the subject be one which the general officer commanding can dispose of, he will do so, and the Commanding Royal Engineer will, in the event of such decision not involving an order, communicate it direct to the controller or other officer whom it may concern. In the event of an order to the troops being involved, he will draft an order for the approval of the general officer commanding, and transmit it, when approved, to the Adjutant General's Department, for promulgation.

4. If the matter be one requiring the decision of the Secretary of State, the general officer commanding will instruct the Commanding Royal Engineer as to the tenor of the report to be made. The Commanding Royal Engineer, in framing the report to the Secretary of State will always show that the opinion and sanction of the general officer commanding to the views therein expressed have been obtained.

5. The reports, when written in the Royal Engineer office, will be either sent to the general officer commanding for final approval, or the general officer commanding can, when he thinks proper, order the Commanding Royal Engineer to transmit them direct to the Secretary of State for War.

6. The whole of the records and copies of such correspondence, together with the replies received from the War Office, will be kept in the office of the Commanding Royal Engineer.

7. At the end of each month, an abstract on W. O. Form 851 will be made by the Commanding Royal Engineer, of all subjects that have been submitted during the month. The abstract will be signed by the general officer commanding, and forwarded to the Adjutant General for the information of His Royal Highness the Field Marshal Commanding in Chief.

8. Clause 32, Army Circulars, 1870, is hereby cancelled.

HIRING OF LANDS OR BUILDINGS.**CL. 158.**

1. On the hiring of any lands or buildings being effected, the controller will transmit the agreement to the Commanding Royal Engineer, who after noting the conditions, as they affect the maintenance of the premises, will return it to the controller.

2. When premises are hired for 21 years or upwards, the Commanding Royal Engineer will include them in the statement of War Department property, and certify the claims for tithes, rates, and other charges thereon, as directed by paragraph 61 of Clause 79, Army Circulars, 1870.

BEER ENGINES IN CANTEENS.**CL. 159.**

1. With reference to Clause 35, Army Circulars, 1871, it has been decided that the additional rent for regimental canteens, where beer engines are provided at the public expense, shall be fixed at 6s. per pull.

2. Commanding Royal Engineers will, on the provision or renewal of a beer engine, notify to the commanding officer, the control paymaster, and the Under Secretary of State for War, the amount of extra rent to be paid, and from what date.

G.O. 63.—Army Reserve.

(Specially issued, 3rd August, 1871.)

When soldiers are transferred from the regular army to the army reserve, No. 1 reports are invariably to be sent to the staff officer of pensioners of the district in which the men are to reside. This rule is to be made retrospective as regards soldiers who volunteered to the army reserve under G. O. 24 of the present year; and in all cases in which No. 1 reports have not already been furnished to staff officers of pensioners, they are to be transmitted immediately. If commanding officers are in any doubt as to the pension district in which the men's residences may be situated, they are to apply to the head quarters of the military district for the necessary information.

G.O. 64.—Books, &c.

I. "Instructions for encampments" have been approved, and are to be adhered to strictly throughout the service.

II. The following number of copies will be sent to each corps, viz.:—

- 1 copy for the commanding officer.
- 1 copy for the adjutant.
- 1 copy for the quarter-master.
- 1 copy for the orderly room.
- 1 copy for the serjeant-major.
- 1 copy for the quarter-master serjeant.
- 1 copy for each troop or company.

III. This regulation book is to be added to those which it is required by paragraph 284 of the "Queen's Regulations and Orders for the Army," that every officer should provide himself with. It will be published at 6d. per copy.

GEN. ORDERS—continued.

G.O. 65.—Inspections.

General officers are to be accompanied on their tours of inspections by one staff officer only, unless special circumstances require their taking a second ;—in which case, a full explanation of the necessity which called for their so doing, is to be given when transmitting the claims for expenses.

G.O. 66.—Musketry Instruction.

In consequence of the inconvenience experienced in providing separate targets for each man at skirmishing practice in the annual course, the following addition will be made to the last line of paragraph 55, page 73, of the Musketry Regulations, dated 1st March, 1870 :—

“The rear rank man of each file being one pace distant from his front rank man on the same alignment.”

The last line of paragraph 55, page 210, of the pocket edition of “Rifle Exercises and Musketry Instruction,” published September, 1870, is also to be altered to correspond, the words “file” and “its” being also inserted therein instead of “man” and “his.”

G.O. 67.—Returns.

The copy of the monthly return which, under paragraph 1484 of “The Queen's Regulations and Orders for the Army,” has hitherto been furnished to the Secretary of State for War by regiments and depôts of cavalry and infantry at home and abroad, is to be discontinued from the 1st proximo.

G.O. 68.—Pioneers.

In future all the pioneers should accompany a regiment upon its embarkation for foreign service.

Pioneers should be regarded as a small corps of regimental artificers who, in addition to a knowledge of entrenching, &c., are competent to repair barracks or perform any work required by a regiment either at home or abroad.
